	<i>From: Consumer Services</i> <i>Subject: Special Handling for W11450890</i> <i>Date: 8/03/2021</i>	<i>Refrigeration</i>

Brands Affected   	W11450890									
	Part(s) Affected: Refrigerator control board W11450890									
Concern: Control board W11450890 is no longer available. A quality improvement on the board requires both the control board and the user interface to be replaced together. Due to different models using the same board but different UIs, a direct substitution was not possible.										
Resolution: Service kits have been created containing the new control board and new user interface for each configuration. The complete model number with engineering digits is required to determine the proper kit to order. Refer to the tables below once the customer's model number is obtained.										
NOTE: If the customer's model is not found on this letter, please refer to the latest repair parts list on servicematters.com to confirm the proper part.
